Dean's Report

Congratulations to our students graduating this month. Doctoral students will be hooded at the campus ceremony. Do encourage all students to attend campus and school events. Schedule for commencement <https://commencement.iupui.edu/commencement-day/index.html>.

Enrollment data files are provided at school and program level (see attached app-admits-enrollment-may-6-2024.xlsx). Please share with faculty and staff engaged in recruiting. Please support your school's recruitment team as student admissions are on-going. We typically admit students through the first 2-3 weeks of the semester.

We have collaborated with IU Institutional Analytics to offer recent data on PhD time to degree across campus (see attached time-to-degree-iupui-phd-2022-2023). The median time to degree is offered for our PhDs. We also have access to IUB data if of interest, contact Janice. The dashboard with the PhD time to degree data was shared with deans.

Campus task force focused on peaceful protest will meet the third week of May with a goal of providing recommendations to the campus and IU leadership by end of summer.

The Clinical Psychology Mental Health Center has a new email and website. (see attached mhc.pdf). They have wrapped up for the semester and will be closed over the summer. They will start seeing clients again on August 26.

When considering a credit hour increase or reduction affecting the degree total, that change will follow the following approval pathway after the GAC approves it. ALC → BOT (AAR) → ICHE (RSA). A change of 25% or more will need approval by the Higher Learning Commission.

Have a wonderful summer to all our colleagues and students.

Graduate School Report

We are excited to announce that our CRM service center is now housed in the Graduate School. This will allow us to better serve our graduate program partners with all things recruitment and enrollment management. More info soon on what this means for your programs. In the meantime you can reach out to Patrick Bailey baileyps@iu.edu or Megan Chester meches@iu.edu for questions regarding the Salesforce CRM.

Katie Adams – consultant from the IU President’s Office presented on the status of the Slate @ IU implementation and what this means for the graduate application and graduate pillar of the CRM. See [slides](#) and link to the Slate demo (link included in attachment). If you are interested in being a part of this discussion, please email mlhenry@iu.edu ASAP.

Committee Reports

Fellowship

University Fellowship and Diversity Rosters have been finalized:

- UF Masters – 8; UF PhDs – 14
- Diversity Recruitment - 2 President's Graduate Diversity Fellowships (2-year award) / 3 IU Indianapolis Graduate Diversity Fellowships (1-year award)

President’s Diversity Dissertation Fellowships is under review by committee. We hope to notify mid-May
Distinguished PhD Dissertation Award was due April 29. We hope to have an announcement out by end of May.

Graduate Recruitment Council

Several members of the GRC went to last week’s Graduate Enrollment Management Summit in Louisville and we will be meeting in mid-May to share some of the key takeaways and then likely share to a wider audience at the annual Graduate Recruiter’s Workshop. The all-day workshop will be held on Thursday, June 27 in Innovation Hall. Registration will open in mid-May.

On an unrelated note, thanks to the work of one of our amazing Graduate Assistants, the Graduate School kicked-off its first-ever [fundraising campaign](#) on IU Day (April 17) and it runs through mid-May. Our hope is to raise \$5,000 for emergency funds and other needs to support our current and prospective graduate/professional students.
