## PHD Progression Process

Student – Years 2-4	Coursework	Complete your coursework <b>and the courses required for your minor</b> . It is student's responsibility to verify grades are posted on their transcript.
Student – Years 2-4	Qualifying Exam	Pass your qualifying exams. After you pass your qualifying exams you must enroll for class each fall and spring semester thereafter, with the exception of summers, until you graduate. If you are graduating during the summer, you must enroll for at least one session during that summer.
Student – Years 2-4	Nomination to Candidacy eDoc (NTC)	Once you've completed your coursework, <b>including the minor</b> , and passed your exams, complete the NTC eDoc. A minor form and plan of study must be submitted <b>before</b> the NTC eDoc. The qualifying exam must be passed at least 8 months before graduating. Student, not program or faculty, submits the eDoc found at <a href="http://graduate.indianapolis.iu.edu/forms/index.html">graduate.indianapolis.iu.edu/forms/index.html</a> . Edocs received with missing materials and/or incomplete information will be returned to the program. Candidacy will not be approved until all requested materials are received. Students, their program, and committee can check the movement of the eDoc through Document Search and Route Log. NOTE: Student and/or program must verify that an approved minor is listed on the eDoc. If there is no approved minor, "Individualized" must be entered. The approved minors list can be found on our website at <a href="http://graduate.indianapolis.iu.edu/admissions/programs.html">graduate.indianapolis.iu.edu/admissions/programs.html</a> .
Program	Nomination to Candidacy eDoc (NTC)	The student must complete the eDoc. Advisory committee will administer the qualifying exam and will approve the NTC eDoc. Program will verify the requirements for the degree have been met (using the appropriate University Graduate School Bulletin). Program will confirm all grades, except current semester, are posted. eDocs received with missing materials and/or incomplete information will be returned to the program. Candidacy will not be approved until all requested materials are received. Program and committee can check the movement of the eDoc through Document Search and Route Log. NOTE: Student and/or program must verify that an approved minor is listed on the eDoc. If there is no approved minor, "Individualized" must be entered. The approved minors list can be found on our website at <a href="http://graduate.indianapolis.iu.edu/admissions/programs.html">graduate.indianapolis.iu.edu/admissions/programs.html</a> .

<p>Student - Years 2-4</p> <p><a href="#">Back to Top</a>  </p>	<p>Nomination of Research Committee eDoc (NOR)</p>	<p>Student, not program or faculty, submits the NOR eDoc found at <a href="http://graduate.indianapolis.iu.edu/forms/index.html">graduate.indianapolis.iu.edu/forms/index.html</a> The NOR must be approved by the University Graduate School at least six months before you defend your dissertation. A prospectus (<b>one-to-two page only</b>) is required to be submitted with the NOR. The IRB is required when use of human subjects, animals or biohazards are involved. It is the programs responsibility to confirm IRB has been received.</p> <p>If eDoc is received with missing materials and/or incomplete information it will not be approved but will be returned to the program.</p>
<p>Student</p>	<p>Change of Research Committee eDoc</p>	<p>The research committee member change eDoc is found at <a href="http://graduate.indianapolis.iu.edu/forms/index.html">graduate.indianapolis.iu.edu/forms/index.html</a>.</p>
<p>Student/Program</p>	<p>Research Committee Guidelines</p>	<p>You will find research committee guidelines (updated on 11-16-15), as well as guidelines for Endorsed faculty and Limited Status faculty, on our website at <a href="http://graduate.indianapolis.iu.edu/forms/index.html">graduate.indianapolis.iu.edu/forms/index.html</a></p>
<p>Student Years 4-5</p>	<p>Formatting your Dissertation</p>	<p>Complete and properly format your dissertation. Please visit <a href="http://graduate.indianapolis.iu.edu/theses-dissertations/deadlines.html">graduate.indianapolis.iu.edu/theses-dissertations/deadlines.html</a> for information on formatting requirements.</p>
<p>Student Years 4-5</p>	<p>Pre-defense</p>	<p>Once your research committee has read a final draft of your dissertation and agrees that it is ready to be defended, provide each member of your committee with a full, unbound copy of the dissertation and arrange a mutually agreeable time and place for your defense. You should allow at least four weeks between the time you give the committee members their copies and the date of the defense so that they will have sufficient time to read and critique your work. The four-week waiting period will also allow other faculty members who might be interested in your work to plan to attend your defense as well.</p>
<p>Student Years 4-5</p> <p><a href="#">Back to Top</a>  </p>	<p>Defense Announcement eDoc</p>	<p>Student should initiate defense eDoc 40 days prior to defense. Program approvers must approve no later than 30 days prior to defense date. If our office receives an eDoc less than 30 days prior to the defense date, it will be disapproved.</p> <p>If an eDoc is received with missing/inaccurate information it will be returned to the program. Once the program has received a returned eDoc, they will have 5 business days to resubmit with the requested information. eDocs resubmitted after 5 business days could result in re-scheduling the defense.</p> <p><b>NOTE: Title on defense announcement will be the title of the dissertation.</b> Also, once the defense is announced, the time and place cannot be changed without the approval of the Dean of the Graduate School in the IU Indianapolis Graduate School. The defense announcement eDoc is found at <a href="http://graduate.indianapolis.iu.edu/forms/index.html">graduate.indianapolis.iu.edu/forms/index.html</a></p>
<p>Student Years 4-5</p> <p><a href="#">Back to Top</a>  </p>	<p>Pre-defense format check</p>	<p>Two weeks before defending, email an unsigned copy of the acceptance and abstract pages to <a href="mailto:gradrec@iupui.edu">gradrec@iupui.edu</a> for a format pre-check. Within a few days you will receive an email to let you know if any issues were found.</p>
<p>Student Years 4-5</p> <p><a href="#">Back to Top</a>  </p>	<p>Defend</p>	<p>Defend your dissertation in front of your research committee. Your committee should sign the acceptance page and abstract after the post-defense revisions are approved by the committee.</p>
<p>Student Years 4-5</p>	<p>Outstanding Grades</p>	<p>Verify that all "R" and "I" grades have been changed, or will be changed by the 25<sup>th</sup> of the graduation month.</p>

Program Years 4-5	Outstanding Grades	Deadlines for <b>May, August and December</b> graduates are university wide deadlines that can be found on the Office of the Registrar's <a href="#">website</a> . The deadline for all other months is no later than the 25 <sup>th</sup> of the graduation month.
